Guide to Google Scholar and Library Links

A quick guide to using Google Scholar to access scholarly research from Uwaterloo Library when the article is not freely available.

Step 1: Create a Google Account: https://accounts.google.com/Login?hl=EN

Step 2: Go to https://scholar.google.ca

Step 3: Open the menu, using the three-bar menu icon, at the left-hand side of the page

Step 4: Open the settings icon from the top-right of the menu

Step 5: Click on the “Library Links” tab in the setting options
Step 6: Type in “University of Waterloo” in the blank search box and click “search”

![University of Waterloo in search box]

Step 7: Select the appropriate boxes from the search results and click “save”

![Selected boxes and save button]

Step 8: You are ready to search. Enter a search in to the Google Scholar search box and click the search icon.

Created by Laura Bredahl, Librarian, University of Waterloo Library, February 22 2018
Step 9: Search the University of Waterloo holding by clicking on the Get@Waterloo link found:

a) either under the more icon below the article information or

b) to the right of the article information.

Step 10: This page will allow you to access the article in one of the following three ways:

a) Online though the full-text link

b) In print through the UWaterloo Library catalogue

c) Through Interlibrary Loan, from another institution, if the top two options are not available.
